Winter 2002 Program Guide

WHPK 88.5 FM CHICAGO

Welcome to WHPK 88.5 FM, the campus-based community radio station licensed to the University of Chicago. Lurking down at the extreme left of your FM dial, we've been filling the airwaves with our particular brand of radio for over 50 years.

We here at WHPK don't have a market, nor a general target audience; we have listeners, and we count them one by one within our broadcast range to the greater South Side of Chicago and beyond. We're a noncommercial, nonprofit radio station—which means we have complete freedom to create and broadcast diverse programming that you'd be hard pressed to find on any other frequency. This freedom also allows our programming to reflect the amazing variety of music and culture that abounds in this great city of Chicago (though we do wander beyond the city limits as well, to bring voices from elsewhere in the nation and the world).

We don't guarantee you'll like everything you hear on WHPK; some things may sound unfamiliar, disorienting, or downright odd. But appealing to the lowest common denominator has never been our mission. We would rather provide you with a single hour of thought-provoking, entertaining programming that has relevance and meaning in your life than to bore you with 24 hours of vacuous repetition interspersed with attempts to sell you things you don't need.

So open up our program guide and check out our schedule; whether it's jazz, blues, rock, dance, rap, folk, classical, world music, news, or all of the above that feeds your fancy, tune into WHPK 88.5 FM. We're open 24 hours, 365 days a year.

CLASSICAL

WHPK's classical format brings you music from the eras and aesthetics passed over in the mainstream marketplace of the soothing and the familiar. From medieval chant to American minimalism and beyond, our DJs challenge you with the best selections from seven centuries of classical music.

FOLK

Most people have to pay for their authenticity, but why not get yours for FREE? WHPK's folk DJs methodically purchase the crassly commodified lamentations of the oppressed, so you don't have to! We guarantee that our mix of traditional Irish, Celtic, Cajun, traditional French, blues, old timey, bluegrass, country, rockabilly and gospel will put blue collars on your ears and a song in your bleeding heart.

ROCK

Our rock DJs lose sleep staying up all night to bring you the finest rock and roll on the planet. You'll hear every genre, sub-genre, and passing fancy spun by our rock DJs—from punk rock, hardcore, pop, prog-rock, kraut rock, post-rock, psychedelia, and goth to space rock, industrial, no wave, new wave, noise, art rock, glam rock, metal, and just plain old classic rock.

DANCE

Tune in to WHPK every Sunday night from 9:30 pm-12 am to hear nothing but the best of drum 'n' bass, hard techno, hardcore, and gabber!

RAP

WHPK was the first to bring hip-hop to the South Side's airwaves over a decade ago back when other radio stations were still playing Huey Lewis and the News. Quite a few have caught on by now, but our Rap shows continue to be the best out there. DJs JP Chill, Extreme, V Funk, Kev Duce, Thaione, Pugslee Atomz and Kevin Maxey play the cutting edge of the hip-hop underground while keeping a firm grip on the old-school—all unedited and uncensored. And on Friday nights you'll get to hear live mixes by legendary DJs from around Chicago.

INTERNATIONAL

From the oldest field recordings of isolated cultures to high-production-value commercial world-music CDs, our international DJs bring you wonderful sounds from around the globe. They explore the cultural and social context of the music, the performers, the instruments, and the meanings of the lyrics. Tune in for information about Chicago-area performances and announcements about related arts events. Interesting guests and ticket-giveaways are frequent features.

JAZZ

WHPK's famed jazz DJs swing you around and drive you home—playing jazz from the inside to the outside. Their musical knowledge will educate, enlighten, and entertain as you're treated to the best in Bop, Big Band, Swing, Latin, and Free Jazz. You'll hear the sounds of yesterday and tomorrow from DJs each with his/her own unique perspective on the world of jazz music.

SPECIALITY

Our specialty shows offer unique radio experiences. There's the "Evil Show" hosted by blues-man Dave Waldman, where you'll hear some of the purest blues sounds of the century from the early days of recording up through today. "Radio DaDa," hosted by a variety of talented DJs from all formats of the station, mixes up music of every shape and form, focusing especially on free jazz and the avant-garde. Immediately following "Radio DaDa" is "Cacophonix," an hour of experimental live-mixing noise/music by various rock DJs. Then there's the "Dusties Party"—keeping soul, funk, and R & B alive on the South Side. On Friday evenings our DJs flaunt their collector mentality, scenesterism, and just plain obsession as they focus in on a particular artist, band, musical style, or theme on the "Friday Focus Show." If you're too tired to go out to the clubs on Friday nights, tune in to "Pure Hype," where we bring local rock bands to play live on-air in our record library. Finally, you can spend your Saturday nights with WHPK's unofficial radio personality Arkansas Red, on the "Blues Excursion." Arkansas sings along to his favorite blues, talks to listeners over the air,
and lambastes the competition. Not to be missed!
